

Volunteers Needed for Neighborhood Planning

Nevada Lidgerwood Neighborhood

- Do you have concerns about neighborhood traffic?
- Are you worried about how safe it is for your child to walk or bike to school?
- Maybe as a small business owner or manager, you are interested in building or improving relationships with local customers.

These are some of the topics the Nevada Lidgerwood planning group will be addressing over the next few months and we need more volunteers.

If you have an interest in improving the neighborhood and can devote a couple of hours every other month, we could use your help.

Our bi-monthly meetings are very focused, organized, and friendly. EWU staff provide research and help facilitate the meetings. Participants address the problems and outline solutions.

To volunteer, contact Alexandra Stoddard at goldieandthe2bears@msn.com or show up to our next meeting on December 2nd, 6:30 PM, at the Neighborhood Council and COPS shop meeting room: 4707 N. Addison Street.
