# THE BIG CHANGE?

*No Change Needed!*

## NEW MULTI-SPACE PARKING METERS ARE EASY TO USE

The first of a new generation of smart parking meters is being installed in Spokane. The multi-space meter pay stations let you use credit cards or coins.

# TO USE THE MULTI SPACE METERS

*it's easy as 1,2,3...*

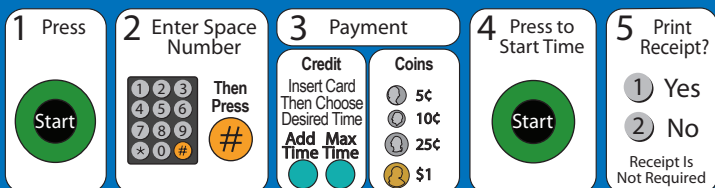

- 1 Park in a space** marked with a numbered space sign where the old parking meter used to be. Note your parking space number.

*Note: Parking restrictions may apply to your space. These restrictions are located on the space marker in red. The space marker also gives information on hourly restrictions, time, and days of week in which metered parking is enforced: Monday-Saturday 8am-7pm.*

- 2 Go to the nearest multi-space meter pay station.** Most are located in the center of a block, and all are marked with a blue parking logo.

- 3 Follow prompts** located on the four-line LED display, guiding you to:

- Enter your space number at the meter, then press enter.
- Pay for amount of parking time you want. The meters will accept credit cards, quarters, dimes, nickels and dollar coins.
- Press the green Print Receipt button to complete the transaction.

SAVING YOU A STEP OR TWO:

*Just pay and go!*

No need to be display on your dashboard. Keep your receipt. It provides the time your space expires.
